## How do people get Kingdom level awards??

by Una Uliebaine

I have heard a lot of talk as of late about Kingdom level awards and figured I would place a little “how to” here in the forums area about them.

First and foremost, the Crown of the Middle Kingdom decides who will receive awards, for what they chose them to receive it for and when. Because the Their Majesties can not be every where at all times, they rely on the populace of the Kingdom to send them recommendations.

Before I tell you how to recommend someone let me first direct you to the web page that lists all of the awards of the Middle Kingdom.

<http://www.midrealm.org/heraldry/awards.php>

Read through them first so that you chose the appropriate award for the person that you are recommending. If the person has no awards at all, it may be a good idea to start out with an Award of Arms (aka AoA).

Next you will want to go to the award recommendation page located on the Middle Kingdom web site ([www.midrealm.org](http://www.midrealm.org)). It is located in the middle column on the main page under “What’s Where”. Here is also the link to go directly to the award recommendation sign in page.

[http://www.midrealm.org/op/recommend/lo ... recommend/](http://www.midrealm.org/op/recommend/lo...recommend/)

You will first need to create an account.

Once your account is created and activated you can now sign in and recommend someone for an award.

Once signed in click on “New Recommendation”

Next you will need to fill our the “Recommendee” section. This is for the person you are recommending to receive an award. Here is an example..

Title: none

SCA name: Brawny

Modern name: Jane Dow

Home branch: Roaring Wastes

Home Region: Pentamere

Gender Male x Female

Recipient is a minor (leaving blank because she is not a minor)

This is a group (leaving blank because she is not a group)

The next section is “Award”. Chose the award you wish to give from the pull down menu. In this case I would chose “Award of Arms”.

The next section has a pull down menu listing the events the King and Queen will be in attendance at. Chose all the events that you are absolutely sure the person you are recommending will be at.

*continued on page 3*

*continued from page 2*

The final section is “Support” Here you will list the reasons why this person should receive this award. Example: I feel Brawny deserves an AoA for all the time and effort she has put into running back sales to raise funds for our upcoming group event. She not only baked all the goodies for the sale, she stayed at the table all day.

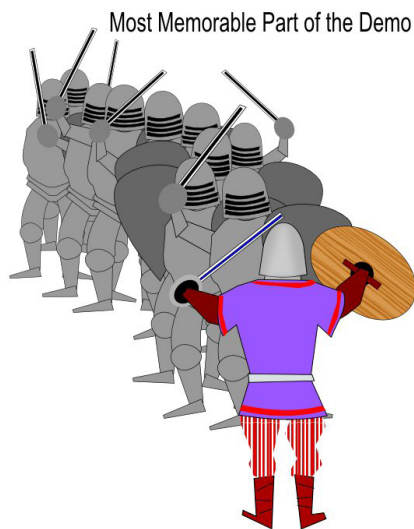

Lastly click on “Save this recommendation”

Now you have recommended someone for an award. Every time you sign in you will see a list of the people you have recommended.

Well I hope this was helpful. Please feel free to post if you have any questions.

Baroness Una Uilebaine

And as Max was so kind enough to remind me, remember anyone can recommend anyone for an award. You need not be a peer, fighter, fencer or such to recommend someone for those kinds of awards.
